Dear Senator Levin:

Thank you for your kind letter of April 14, concerning your continued interest in Raoul Wallenberg.

You may be assured that the Department will continue to monitor all developments in this tragic case. You should also know that earlier this month George Vest, Assistant Secretary for European Affairs, raised the Wallenberg case again with the Soviet Charge, Vladislav Vasev. Mr. Vest stressed our hope that the Soviet Government will be more forthcoming, concerning the fate of Raoul Wallenberg, than it has been in previous responses to our request for information.

Sincerely,

J. Brian Atwood
Assistant Secretary for
Congressional Relations

The Honorable
Carl Levin,
United States Senate.
